**Dear Sir/Madam**

Thank you for your recent enquiry regarding our Used Sails. Please find attached our current list and terms of business for your perusal, if you have any problems reading our sails list please do not hesitate to contact one of our sales team.

As you will see the list comprises of information about each sail for example, size, weight, price etc. Every sail also has an individual report that is stored at our offices and this report can be discussed with our staff prior to purchase. We suggest that the report is discussed as it may contain further details regarding a sail that could influence your decision to purchase.

However any sail may be purchased on a 10 day sale or return basis and this will commence from the date of payment. Please note that this option will be void if the sail(s) purchased are modified or repaired in any way. Also, should the sail be ripped, blown out or damaged in any way during the 10 day period, the sail will be deemed sold.

Alternatively, you may wish to visit our premises to inspect a sail and our staff will of course be happy to help. Should this be an option we would be grateful if notice of your intended visit could be given to us due to the amount of sails we have stored and it may take some considerable time to locate the required sail(s).

Alternatively should you be interested in our large range of yacht canopies, accessories or any other item for your boat, please do not hesitate to contact us. A full colour brochure, data sheets and price lists are available upon request.

We look forward to hearing from you in due course.

Yours faithfully
C & Marine Limited

Purchasing | Terms of Business

C&J Marine Ltd Used Sail Agency hold a wide range of used and new sails, a list showing details of all sails is available on request.

We operate a 10 day approval on each sail or your money back (less any carriage and packing charges). This option will be void to any modified or repaired sail.

Used Sail Agency

Terms of Business

Sails which are held at present by clients that are no longer of use are deposited or sent to the C & J Used Sail Agency. Competent members of our staff inspect and price each sail in conjunction with the owner(s) of the same. The sail is priced according to its size, age, and condition etc and an individual report on each sail is produced.

C & J Used Sail Agency advertise in national magazines to obtain customers who are wishing to buy sails at reasonable prices. On request these customers will be sent a complete sail list comprising of sail sizes, condition, age, extras fitted and a price. This is sent together with these Terms of Business.

If a sail is selected the customer may visit our premises to view the same or telephone our office to discuss any further details. Please note that 24 hour notice is required (where possible) prior to visiting our premises for inspection of any sail(s). Any sail may be purchased on a 10 day sale or return basis. The 10 day sale or return option will commence from the date of payment. Please note that the 10 day sale or return option will be void if the sail(s) purchased are modified or repaired. Should the sail be ripped, damaged or altered in any way during the 10 day sale or return period, the sail will be deemed sold.

Upon inspection at our premises or upon discussing the individual report it may be requested that the sail be modified in some form (if this is required a quotation for the work to be carried out can be submitted and this will be over and above the original price listed). Sails which are close to sizes etc required can be adjusted/tailored to meet with your specific requirements i.e., luff tapes can be changed to rope and hanks or vice versa, slides can be fitted, sizes can be altered (in moderation). Repairs can also be undertaken and extras can be fitted, i.e. sail numbers, insignias, snuffers and sailbags etc.

Once a sale has been agreed, payments can be made and the sail can then be modified and sent to the customer upon completion if required. All carrier charges will be the responsibility of the purchaser. This will also be applicable should the sail be returned to C & J Marine.

Once the 10 day sale or return date has expired a receipt will be raised and forwarded to the purchaser. At that time a statement/invoice will be raised for the original sail owner. This statement/invoice will show any C & J Used Sail Agency commission, carriage and work undertaken charges that are applicable and will then be forwarded to the original owner of the sail together with payment for the relevant sum.
