

## Halyard Bags

The C&J Halyard Bags are available in 3 options to suit most requirements. A mesh base to allow for water drainage and adjustable shockcord top hem are included. Marine grade acrylic canvas is used in the construction of the bag. The canvas can be cleaned by washing with a mild soap solution. We suggest that the bags be secured to the bulkhead by using stainless steel self tapping screws and washers (not included).

Approximate dimensions		Height	Width	Depth
HB02	Single Pocket	310mm	160mm	100mm
HB03	Double Pocket	330mm	360mm	110mm
HB04	Triple Pocket	330mm	500mm	120mm

## Sailing Holdall

Manufactured from shower-proof marine grade acrylic canvas our ever popular Sailing Holdall is available in 2 sizes. Two zip end pockets, detachable shoulder strap, full length 'chunky' zip and soft finish webbing handles are all incorporated as standard. Our Sailing Holdall is light-weight and machine washable at 30 degrees (use mild soap flakes).

Approximate dimensions		Height	Width	Length
HD01	Small	260mm	180mm	450mm
HD02	Large	320mm	200mm	600mm

Printed responsibly: Using vegetable based inks and stocks from well managed sustainable rain forests.

## Folding Striped Handy Cushion CU04

To add that sought after marine look to your cockpit, our Folding Handy Cushion is now available in stripes. On one side of the cushion we have added a shower-proof Dralon® 'Sunweave' style fabric with alternate 50mm wide navy blue and white stripes. The reverse side is manufactured in marine grade navy blue or dark navy blue acrylic canvas.

CU04 Double Handy Cushion\* Height (Folded): 80mm Width: 380mm Depth: 360mm

## Folding Handy Cushion CU02

An easy to store folding cushion made from standard shower-proof marine grade acrylic canvas. This upgraded version of our original Handy Cushion has high quality grade upholstery foam inserts and soft finish webbing handles. Designed to use as a seat and a backrest, a double thick seat or backrest and a double width seat or backrest.

CU02 Double Handy Cushion\* Height (Folded): 80mm Width: 380mm Depth: 360mm

## Handy Cushion CU01

Our original Handy Cushion is made from machine washable marine grade acrylic canvas. High resilient upholstery foam, nylon zip fastening and a soft-feel rope handle are fitted as standard. Perfect for use in cockpit, the Handy Cushion may even be used as a temporary emergency fender!

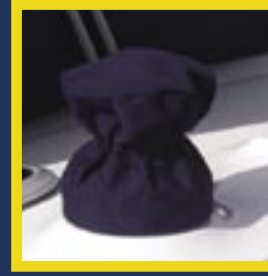

CU01 Handy Cushion\* Height: 100mm Width: 380mm Depth: 380mm

## Guardrail Bag GB01

C&J Marine Ltd designed this bag to store small important items that could get lost in the cockpit. Manufactured from marine grade acrylic canvas, this handy bag will secure to a guardrail with a heavy duty Velcro® flap. The 2 large pockets have a Velcro® cover that protects items when stored in the pockets.

Dimensions: Height: 280mm, Width: 500mm, Depth: 80mm

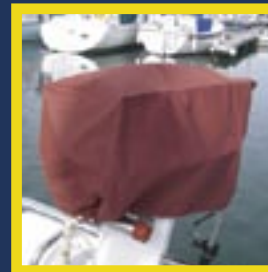

## Winch Cover

Our Winch Covers are designed to protect the winch(s) from water ingress. Made from marine grade acrylic canvas, an internal elastic strap is sewn to the cover for securing to the winch body. Available in 9 size options to suit most of the popular winch designs and sizes.

### Approximate dimensions Winch Cover

WH01	5" high by 5" diameter.	WH06	14" high by 13½" diameter.
WH02	7" high by 6" diameter.	WH07	15½" high by 16½" diameter.
WH03	8" high by 7" diameter.	WH08	18½" high by 22" diameter.
WH04	9½" high by 8½" diameter.	WH09	21" high by 27" diameter.
WH05	10½" high by 9½" diameter.		

## Outboard Motor

Designed to protect the top box from damaging ultra-violet light and moisture. The Outboard Cover has an adjustable drawstring cord for securing. Made from marine grade acrylic canvas, 3 different sizes are available, normally from stock.

### Approximate dimensions Outboard Motor

OC01	Small	Length: 380mm	Width: 200mm	Depth: 250mm
OC02	Medium	Length: 450mm	Width: 250mm	Depth: 300mm
