

Example of rolled front

Example of lumbar support

Upholstery Quotation Request

For a detailed quotation please complete this form and return to us at C&J Marine Ltd.

Interior

- An example interior layout is drawn overleaf to act as a guide. Please sketch on the layout of your vessel, this will aid us when compiling your quotation/estimate.

Measurements

- We require measurements per cushion. Maximum length, maximum width and the height of foam required. If possible please supply your measurements in metric i.e. metre, cm or mm.

Special Requirements

- Please tick the relevant boxes for any special requirements that you may have. (i.e. rolled fronts on the base cushions of seated areas, lumbar supports on backrests etc.) Examples of rolled fronts and lumbar supports are shown above.

Consultation Service

- If your vessel is located in the Solent area between Eastbourne and Lymington we offer an on board consultation service free of charge and at no obligation to you. If you would like to meet a member of the C&J Upholstery team on board, please supply us with the exact location of your vessel and tick the relevant box overleaf. You will then be contacted to arrange a mutually convenient appointment. (Off-shore consultation is also available, please contact us for more details)
- Alternatively, we can supply a set of upholstery patterning instructions so that you can supply us with exact dimensions of each individual cushion, even if your vessel is kept in Timbukto! Please tick the box overleaf and these instructions will be supplied to you.

Fabric

- Fabric sample books can be loaned to you for a returnable deposit of £25.00 per book. However, small samples can be supplied from stock cuttings free of charge.
- We manufacture upholstery in a choice of 6 different fabric price ranges. Please see the price guide alongside for further information. There are some 'designer' fabrics available that cost in excess of £60.00 per metre! If these fabrics are of interest to you we suggest that a visit to our showroom may be worth while. Please contact us via phone, fax or e-mail to arrange your visit. Wherever possible a member of our upholstery team will be on hand to assist you. (All fabric prices quoted are exclusive of V.A.T. at the current rate)
